“We all have talents and abilities and we are hard workers and we all deserve a chance to be a part of our communities.” - Gabi

Gabi is a 20-year-old girl with Down Syndrome who received her high school diploma from Millbrook HS, was a member of the MHS Vocal Music 1 choir and is now attending Wake Tech. She is always on the move, participating in aerial circus and Special Olympics gymnastics classes, playing basketball and tennis! She also attends weekly Young Life Capernaum meetings with her friends and volunteers in our church’s preschool every Sunday.

After graduating, Gabi kept getting turned down for more hours at her job and couldn’t get hired for a second job. We noticed lots of her friends were struggling to find work too and decided we needed a plan for Gabi’s future. We discussed opening a restaurant and the work that would entail. Then, last summer we went to visit a coffee shop that employs people with disabilities. We decided a coffee shop would be a more realistic goal and thus, Gabi’s Grounds was born! Along with her paychecks, Gabi has been saving all the money she receives for her birthday and Christmas every year to open her coffee shop. Aside from receiving her diploma, Gabi’s biggest goal right now is to get her coffee shop up and running and she is incredibly dedicated to bringing this dream to life!

This is more than a coffee shop for Gabi. She wants her shop to be a fun place for everyone to visit. From coffee and pastries to karaoke nights and dance parties, Gabi’s shop will be an inclusive place for the community to come together. Money raised on coffee sales will be combined with the profits from Gabi’s booth where she sells coffee, t-shirts, mugs, and stickers and will go towards securing a shop location, paying rent and salary for employees, coolers, coffee makers, and other necessities to run and supply the shop.

Gabi’s Grounds is an advocate for the value, inclusion, and acceptance of individuals with intellectual and developmental disabilities. Gabi’s Grounds is dedicated to making the world a better place for children and others living with IDD.

Your buying this coffee, will support both Gabby and your local Millbrook HS Chorus student!
